Dear Families of Saint Adalbert Catholic Academy,

After first hearing the news of the horrific events in Atlanta, combined with the unspeakable continuation of persecution throughout our country and city, our hearts go out to our Asian-American and Pacific Islander communities. The lack of dignity and severe discrimination towards fellow human beings is never tolerable.

We at Saint Adalbert stand together in solidarity, knowing these persecuted communities are a major part of our core and identity. We are so proud of these students and families! One of the greatest strengths of St. Adalbert is the rich diversity that is found in every classroom and the great love and acceptance of one another. These affected communities truly mean a lot to our school. Their strong support of both student and teacher and overall love of faith and togetherness is forever inspiring.

Please know that we will continue to grow and develop leaders that take action for a better tomorrow, as true advocates of peace and harmony. Our faculty and staff will support our students to process the difficult events and we have Title 1 and PDHP counselors available on request.

We are forever grateful for the strength, respect, and honor shown by our Asian-American and Pacific Islander communities each day. You are in our prayers and we thank you for your great contributions to our academy.

Sincerely,

Principal
